Five Teams Clash In District

Class "C" Cage Tourney Opens In Roscommon Next Tuesday Nite

Bye — Alcona Lincoln

Wed. Mar. 4th, 7:30

Bye — Houghton Lake

Roscommon

Tues., Mar. 3rd, 7:30

Whittemore - Prescott

Grayling

Championship
Saturday, March 7th
7:30 p. m.

Five teams will clash in a Class C high school basketball tourney at Gerrish Higgins high in Roscommon beginning next Tuesday evening. The squads competing besides the Grayling Vikings are the Alcona Lincoln Tigers, the Houghton Lake Bob Cats, the Roscommon Bucks and the Whittemore - Prescott Cardinals.

There will be single games Tuesday, Wednesday, Thursday and Saturday nights with all clashes set for the tipoff at 7:30 p. m. Drawings for the three bye slots as against the two teams to play the opening game were held at the Roscommon school on Tuesday afternoon of this week. (For the

team drawings, see box above.) Tickets for the first three games are set at adults, 75 cents, students, 50 cents; for Saturday night's championship clash, they will be still 50 cents for students but \$1.00 for adults. Admission prices to tournaments are set by the Michigan High School Athletic Association.

Of the five teams entered, four are from the Northeastern Michigan Class "C" Conference. Only Grayling is from the Northern Class "C" Conference. Currently Roscommon, Houghton Lake and Whittemore-Prescott are in a three-way tie for their conference lead. Alcona is down in the middle of the pack as is Grayling in the Northern Conference.

It is impossible to pick any favorite other than to point out that the Roscommon Bucks will be playing on their home floor which is usually a distinct aid. But the way season's play has been between the Bucks and Houghton Lake and Whittemore - Prescott, anything could happen. The Vikings enter the tourney as definite underdogs and to windup with the championship cup next Saturday night would have to battle uphill all of the way with possibly the exception of against Alcona.

Vikings End Season Friday

The Grayling High Vikings, after taking a 91 to 74 defeat at the hands of the Pellston Hornets at Pellston last Friday night, wind up the regular 1963-64 basketball season by hosting the Boyne City Ramblers at the Grayling gym this Friday night.

Boyne has shown steady improvement throughout the season and will probably give the green and white clad Vikings a rough evening. Last Friday night, in another conference action, the Grayling Blue Devils took over undisputed possession of first place and clinched at least a tie for the title when they stopped the Charlevoix Raydars 76 to 64. Boyne City won over East Jordan 81 to 69 and Harbor Springs stopped Mancelona 68 to 50.

The other action this Friday night closing out the regular season in the Northern Class "C" Conference will find Grayling at Harbor Springs, Mancelona at Charlevoix and Pellston at East Jordan.

Last Friday at Pellston, the Vikings raced to a 18 to 15 first period lead and then fell behind 30 to 30 at intermission time. The Grayling quintet battled back with a 23 to 22 third quarter but still were behind 61 to 55 as the last frame opened. Pellston left no doubt as to the victors with a big 90 to 19 fourth quarter, winning 91 to 74.

Bill Joseph with 29 points on 12 field goals and 5 free throws led the Grayling attack. Terry Smith with 17 points was also in the double figures. Walt Nielson added 8 points, Curt Feldhauser 6, Richard Smith 5, Eddie Robertson 4, John Engel 3 and Gary Lucksted 2 field goals. Doug Lovason with 35 points led the Hornet offense. He was ably assisted by Mike Thompson with 17 and Ed Clear with 15.

Grayling scored on 33 field goals (Continued on Page Four)

Roscommon Man Given Fine Or Jail Sentence

Rollo J. McGillis, 35, of Roscommon, was arrested on Feb. 16 by Sheriff Arthur Clough and charged with being drunk and disorderly. He appeared before Justice of the Peace Olin Williamson on Feb. 18 on the charge.

McGillis entered a plea of guilty as charged. Justice Williamson levied a fine of \$100 or 90 days in the Crawford County Jail. Early this week, McGillis was still under the jurisdiction of Sheriff Clough in the jail.

Announce Engagement

Mr. and Mrs. Norris Shafe of 14455 Boichot Road, Lansing, announce the engagement of their daughter, Nancy Carol, to Mr. Thomas George Brooks, of 124 Oakland Street, Millard, son of Mr. and Mrs. William Brooks of 300 Brink Street, Grayling. A

Attention Women!

Your Crawford County Cancer Unit has purchased a limited supply of pamphlets from the Michigan Department of Health, on breast self-examination. This is a detailed and completely descriptive folder to enable all women to understand the examination, as this is the only proven way to lower the death rate of cancer of the breast, which takes more women's lives than any other cancer. All women owe it to themselves and their families to educate themselves on this procedure. These pamphlets are available at the Grayling Pharmacy and Mac's Drug Store. Just ask for the Health Department's folder for women. Have you had your Pap test this year?

Plan Another Program Of Topical Fluoride

Dr. Georgia V. Mills, Director of District Health Department No. 1 has announced plans for the topical application of sodium fluoride to the teeth of the children in this area.

The program will be made available to pre-schoolers, second, fifth, and eighth graders and to special cases referred by the family dentist. The charge for the cleansing and four applications will be \$3.00. The topical application of sodium fluoride to newly erupted teeth will reduce new tooth decay by 40 per cent in groups of children. In addition to these benefits the program offers a valuable dental experience with no discomfort involved and dental health education is given the child by the clinic personnel.

The entire procedure consists of four visits to the topical fluoride clinic. At the first visit the teeth are cleaned and the first application is given. An application of sodium fluoride consists of the teeth being isolated with cotton rolls; then the teeth are dried with compressed air and a 2 per cent solution of sodium fluoride is applied to the teeth with cotton tip applicators. On the second, third, and fourth appointments the application of the sodium fluoride is repeated.

The program is carried on each summer by District Health Department No. 1 in cooperation with the Michigan Department of Health.

Eagles Close With 2 At Home

By BOB ASHMAN
In the drawing for the Class D cage tourney slated for Grayling, Fredric drew Alba as their first foe. The game will be played on Thursday, March 5, at 7 p. m. If the Eagles win, they will vault right into the Saturday game.

With two games slated at home this week, the Fredric High Eagles will close out the regular season before moving into state tournament play.

Tuesday night, Vanderbilt is slated to move into the Fredric gym for a junior varsity and varsity contest while on Friday night the season's finale will feature the Central Lake Trojans versus the Fredric Eagles in jayvee and varsity games.

Last Friday at Bellaire, the Eagles were badly outclassed by a host team 85 to 52. Fredric drew 27 to 6 at the end of the first frame, trailed 49 to 13 at halftime. A 22 to 17 third frame left Bellaire on top 71 to 30 as the last period of play opened. Mike Harmer with 19 and Phil Lodge with 10 were high scorers for the Eagles.

The Fredric jayvees lost also but by the much closer score of 67 to 61. The Eagles led almost the entire game but blew their lead in the final canto. They took an intermission edge of 28 to 26 after the two teams tied at 11 all at the end of the first quarter. Fredric led 50 to 40 as the last quarter of play opened, but a game 27 to 11 last period gave the game to the Bellaire reserves.

Jim Gauthier with 21 and Steve Weaver with 17 led the Fredric offense while Jim Alspaugh's 38 was high for the winners.

DANGER — TO USE ARTILLERY RANGE

Reserve units will be using the Camp Grayling artillery range on Saturday, February 29th and Sunday, March 1st. All persons are warned that the range will be closed and to stay out of the area.

The range is located east of I-75 expressway, north of County Road 612 and south of the North Branch of the AuSable River. Announcement of the use of the range for this weekend was made by Billy J. Kinkert, Camp Grayling superintendent.

ROBERT B. DYER RETIRES FROM CAMP

Robert B. Dyer, electrician at Camp Grayling since August of 1948, retired February 21, 1964, after fifteen and a half years service at the military installation. He was the honored guest at a retirement dinner at Wert's Lone Pine Inn that evening, at which forty people were present, including Brigadier General Carson R. Niefert of Lansing, Quartermaster General of Michigan. Mr. Dyer was presented a gift from the organization. He plans to stay in Grayling and Lansing, where he has maintained homes for many years.

Former Resident Brought To Grayling For Burial

Mrs. Olga Boeson, former resident of Grayling, passed away this week in Des Moines, Iowa. She was brought to Grayling for burial, and funeral services will be held at 1:30 p. m. Thursday, February 27th, at St. John Evangelical Lutheran church. The Rev. Alfred E. Sorenson of Des Moines, Iowa, and the Rev. Harris Jespersen will officiate. Mrs. Boeson's grandson, Robert Heribson of Winnipeg plans to attend.

Gerald McEvers, Chairman

Organization For 1964 Michigan Week Already Underway In County

Organizational work for the 1964 Michigan Week, set for May 17 through 23 this year has already gotten underway, chairman of the 1964 Week, Gerald McEvers said today.

The group is already at work selecting the county product of the year which will be sent on to the district level to compete. Each district winner is sent on to the state level in competition for the title of 1964 Product of the Year.

Among those already named to head various committees for the 1964 Michigan Week in Crawford County are: Rev. Alvin Johnson to be in charge of Spiritual Founda-

tions Day; Robert Hayes to head up the Mayor's Exchange program and Our Government Day; Derek McEvers to take charge of Hospitality Day; Gerald Burns named to head the Our Livelihood Day program; Joseph Stripe will be in charge of Education Day; Robert Hayes will also be in charge of Our Heritage Day. Needed to be named yet is a chairman for Our Youth Day which takes place on Saturday during Michigan Week. Robert Strong has been named as publicity chairman. Several other committee heads will soon be revealed by chairman Gerald McEvers, it was said.

The House That Jappe Built

By HELMUTH BAY

Portage Lake (now Lake Margrethe) is located in Crawford County, Michigan, and was so named because it formed part of an Indian portage between the upper AuSable and Manistee rivers. The name was changed about 1923 by Rasmus Hanson, a Grayling lumberman who owned most of the land surrounding the lake, as an honor to his wife Margrethe.

When the early settlers came into this region in the eighteen sixties and seventies, they found these watersheds covered with a dense stand of White and Norway pine, except on the higher ridges which carried Birch, Beech and Maple of high quality.

That era in Michigan history was one of the "timber-cruiser" or "land-looker," as a timber estimator was called locally. Experienced men such as these were sent out by the sawmill owners of Manistee, Muskegon, Bay City, Saginaw, and other lumber centers, to find the

White Pine and report its location so that it could be purchased and logged. The prices of these lands were absurdly low.

There being no transportation to speak of in the northern part of the Lower Peninsula, the rivers were used to carry the logs to the sawmills. Every spring the Manistee was literally choked with logs cut the previous winter. Some companies drove their own logs, others formed driving associations. At any rate when the logs arrived near the mill towns they were held in booms and sorted, each company receiving its own logs which were identifiable by its particular stamp marks on the ends. The sorting operation was usually carried on smoothly, and without incident.

Returning to the Portage Lake country, many of the logs that were cut in the forests about this lake were located too far away to make a long sleigh-haul profitable. Therefore a number of Manistee lumbermen combined to build a narrow-gauge railway from the northwest corner of the Lake, near the outlet, to the Manistee River three or four miles away. The logs were then hauled to the Lake during the winter and piled up on the thick (Continued on Page Two)

Grayling Hosts Medical Meeting

A meeting of the Medical Society of the North Central Counties was held at the "Chief Shoppenagons Motor Hotel" on Wednesday evening, February 19.

The honored guests at the dinner session which was preceded by a fellowship hour were Dr. and Mrs. C. G. Clippert, Dr. Clippert retired from the Keyport Clinic and medical practice as of January 1st. Dr. Clippert had been associated with the clinic since May of 1925.

Guest speaker at the program following the dinner was Dr. W. G. Fuller of Grand Rapids, a representative of the American Cancer Society.

Open Grayling Office Of Consolidated Gas

Robert L. McIntosh, manager of the Grayling area office of Michigan Consolidated Gas Company, has opened his offices in the former Jansen building in the Grayling United Shopping Center. All new furniture has been moved in and plans are completed for remodeling the building into two offices at the front and a stock room in the rear. Work on the remodeling is to begin next week, and will be done in stages so as to allow the company's work to be carried on uninterrupted.

Kiwanis Club Notes

Wesley LaGrow

Monday night's meeting of the Kiwanis Club was held at the Chief Shoppenagons Motor Hotel. Bruce Carlson was in charge of the program and introduced Dr. B. E. Henig who in turn presented Mr. Oliver Wendt of Traverse City, regional chairman of the Michigan Heart Association.

Mr. Wendt presented a film entitled, "Pulse of Life". It covered the field of artificial respiration, especially the mouth to mouth method. Dr. Henig and Dr. Clifford D. Potvin demonstrated a new machine recently placed in the surgery room at Grayling Mercy Hospital. It is the Electrodyne cardiac monitor and pacemaker. It gives a visual record of the patient's heartbeat at all times and can stimulate the heart when needed.

Announce Engagement

Mr. and Mrs. Howard Heschler of Grand Rapids announce the engagement of their daughter, Diane, to Mr. Bernard Hall Jr., son of Mr. and Mrs. Bernard Hall Sr., of Grayling. An April 11th wedding date has been set.

Diane graduated from the Mercy School of Practical Nursing in 1959, and has worked both at Mercy Hospital and at the Keyport Clinic. She is now in Grand Rapids with her parents. Bill, a graduate of Grayling High school in 1957, has served three years in the armed forces, one year overseas. He is at present in Grand Rapids employed as a salesman by the Consumers Consolidated Company.

Supers Warn To Keep Dogs Confined

The Crawford County Board of Supervisors is warning people to keep their dogs confined because of an epidemic of distemper and hepatitis in dogs in the county. The diseases have been identified by a veterinarian with the report of a high rate of incidence in both diseases.

Dr. Georgia Mills of the District Health Department warns that the hepatitis is communicable from dogs to people, and anyone developing an illness who has been in contact with a sick dog should report to their family doctor.

OLD US-27 CRASH FATAL TO YOUTH

Sgt. Oscar Anderson of the Michigan State Police Gaylord Post reported a fatal accident to the AuSable which occurred at 2:30 a. m. Wednesday, February 19, on Old 27 highway 1/4 mile south of the Mt. Frederick Road. A car driven by Richard Sharp Mitchell, 20, of Boyne City was proceeding at a high rate of speed south on Old 27 and did not make the curve at the point mentioned, struck a tree 24 feet from the west side of the road, went 27 feet further south and struck a telephone pole, severing both. Crawford County Coroner Derek McEvers pronounced Mr. Mitchell dead, and the body was taken to the Sorenson Funeral Home and later claimed by the deceased's wife and mother. The investigation was conducted by the Gaylord State Police Post.

Hotel Revamps Pioneer Room

Work was started last week at the Chief Shoppenagons Motor Hotel to remodel the Pioneer Room, the hotel's cocktail lounge, in keeping with the plans of Mr. Roy De Witt of Roscommon when he purchased the former Shoppenagons Inn, in 1960.

In the winter of 1960-61, the hotel part was completely done over from the basement to the roof, to make it one of the finest hotels in Michigan. The large dining room has a sliding divider to accommodate two separate parties or conventions. There is also a Coffee Shop adjacent to the dining room.

The hotel also includes the Viking Room in the basement, for private parties. The room has a fireplace, a bar, a lounge, a small bar and dance area.

Two major items in the revamping of the Pioneer Room are the removal of a back partition which adds approximately 10 feet to the room size and the lowering of the ceiling with a hanging acoustical ceiling.

The back bar is being remodeled to a modernistic look, with new bar stools to be added. A piano bar is being built, and with the extension of the room the dancing area is also enlarged.

Hotel manager Mr. Arnold Maurer stated that in the near future murals would be put up in the Pioneer Room. It is planned to have the cocktail lounge open by the first of March.

SERVICES HELD FOR MRS. LOUISA WARNER

Mrs. Louisa Warner of 200 Huron Street, Grayling, passed away Saturday, February 22, 1964, at Grayling Mercy Hospital after an illness of five weeks. She was 75 years old.

Mrs. Warner, known to everyone as Lizzie, was born to Mr. and Mrs. Frederick Willy on May 11, 1888, in Sebawing. She came to Grayling around 1911, at which time she was the wife of Henry Uhlenford, who passed away in April of 1927. She later married Frank Sanders, who died in 1935. In 1936 she married Roy Warner, who preceded her in death in 1956. Mrs. Warner also had five sons who preceded her in death. She is survived by one daughter, Mrs. Clinton (Martha) Bancroft, of Grayling, seven grandchildren and six great grandchildren, and a sister, Miss Martha Willy, of Bay City.

Mrs. Warner was famous for her green thumb, her home being surrounded by flowers in abundance the year around.

Funeral services were held at 2 o'clock on Tuesday, February 25th, from the Sorenson Funeral Home, with the Rev. Charles Allen officiating. Music was by Mrs. Arthur Feldhauser. Burial was in Elmwood Cemetery with Harry McEvers, Alva Stephan, William McLeod, Ernest Hale, Joseph Clench, Clement Blaine, serving as pallbearers.

Set For October 3rd - 4th

Dates Okayed For 1964 Running Of The AuSable Valley Canoe Race

A meeting last week at Comins nated down the weekend of October 3rd and 4th for the 17th running of the AuSable Valley Canoe Race. Representatives from Grayling, Mio and Oscoda who form the canoe classic committee approved last year's race rules except for a provision which would prohibit last year's race winners from entering as a team.

It means last year's winners, Irvin Peterson of Coon Rapids, Minn., and Ron Hohman of Oscoda, can team up again against the field. Hohman is a two-time winner of the event.

Officers of the race committee, Eric Post as chairman, Robert Hayes as secretary and Harry Curley as treasurer were re-elected. Post and Hayes are from Grayling, Curley from Oscoda.

The race committee was unanimous in selecting the fall date for the 240-mile grueling canoe test. Last year perfect weather graced the race.

LeRoy Widing of Holly, representing the Michigan Canoe Racing Association, urged the committee to consider an earlier race date due to length of the canoe racing season.

Widing said the race season opens in April and closes in October. He said many canoeists would like to shorten the competitive season.

Hayes and Barry McGuire, publicist for the East Michigan Tourist Association, pointed out that the October date assures fall color weather, start of the small game and bow and arrow hunting seasons, which help to swell crowds along the banks of the picturesque AuSable at race time. Last year some of the largest crowds ever witnessed the event, it was reported.

Some discussion was held on merits of presenting tokens to every team which finishes the two-day race. It was decided to award medals to only the first 10 finishers. Other points taken up at the session included deadline for entries which in the past has fallen one hour before the 10:30 a. m. starting time from Grayling, and the \$25 extra fee assessed for entrants who use advertising on their canoes. Both rules were approved again.

Expenses for the race are borne by the three contributing communities. A treasurer's report showed that last year Oscoda contributed \$1,461; Grayling \$1,665 and Mio \$875 plus donated material and labor.

In the past two races, Consumers Power Co., has provided the \$3,050 in prize money, but it has not been decided yet whether the utility will join in sponsoring the canoe classic this year.

Two Consumers representatives, F. E. Brown of Bay City and Rich-

ard Bradley of Jackson, who attended, said a decision from the utility will come possibly within the next few weeks.

The same prize money distribution was approved, pending Consumers' joining in sponsorship of the race. This would give winners top prize of \$1,200, second place finishers, \$600, third place, \$300, and the rest distributed over the first 10 finishers.

The planning meeting was held at the Forno Lodge outside Comins which hosted the race committee.

Other members of the race committee were Arnie Mauren of Grayling, Elden Feddersen and Robert Graham of Mio, and Oscar Cook of Oscoda.

Grayling Has Big Weekend

A large teenage group from the Lansing area enjoyed a winter weekend here enjoying winter sports.

Sponsored by the Explorer Cabinet of the "Chief Okemos Council", young people from the Ingham, Eaton, and Chatham county areas swarmed the slopes of the Grayling Winter Sports Park for the two day event labeled "Snow Flake Fantasy".

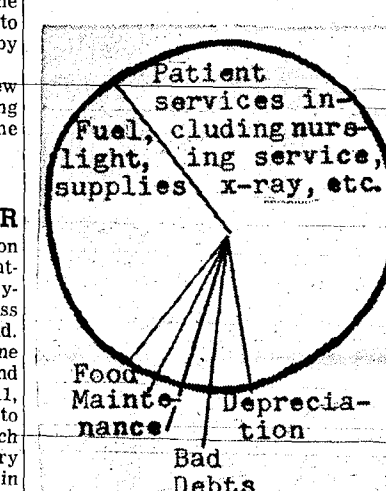

Arriving here Saturday morning, the 425 teenagers enjoyed tobogganing, skiing, ice skating, and a Saturday evening dance at the American Legion Hall.

According to Harvey Griswold, District Scout Executive, "Chief Okemos Council", the voluntary time donated by the adult committee made this year's annual outing most successful. The Crawford County Chamber of Commerce arranged for housing in the Grayling High School gym. Boys were housed in the gym while the girls slept in the halls of the high school proper. Sleeping bags, blankets, air mattresses, and cots provided comfort for the Saturday night's stay.

Church services were held at the high school gym and St. Mary's Catholic church Sunday morning prior to continuing the winter sports weekend outing. Officiating the services at the gym was Rev. Alfred G. Pennell, Minister of the Michigan - Memorial Methodist church. Father Joseph Sakowski conducted mass at the St. Mary's Catholic church.

In addition to this group, over 350 young people from the Church of the Nazarene from throughout northern Michigan were at the park. Arrangements for this group were handled by Rev. Baynam of Traverse City. Also a group of Charlotte Boy Scouts was here for the weekend plus three smaller church groups.

Fractures from Ski Accidents Decline

Statistics collected in the emergency room at the Grayling Mercy Hospital over the past six years show first a decline, then a fast, high advance in fractures caused by skiing accidents and finally, in the past two years, another rapid decline.

The first records, taken in January, February and March of 1957, showed near ten fractures of the tibia or fibula (lower leg bones). These figures gradually dropped to less than five by 1961 but then in a dramatic rise went to over ten in 1962 and started to decline in 1963 by dropping back to five. At the same time, the statistics showed that ankle fractures were less than five in the first year of 1957. They declined to about two in 1959, jumped to over five in 1960, dropped back to about three in 1961 and then shot up the chart to a high of over 15 in 1962. Last year, 1963, the ankle fracture statistics had decreased to just over 5.

Fractured arms and shoulders from skiing have never at anytime during the six year period even approached the five per year mark. The highest number occurred in 1960 with two. One fractured knee was recorded in 1962.

Two other statistics kept by the hospital which should prove of real interest are: "Where The Dollars Go" and "Where The Dollars Come From", (see accompanying charts).

Well over one half of all dollars spent by Grayling Mercy Hospital go for patient services, including nursing service, x-rays, etc. Better than one fourth goes for fuel, lights and supplies. Minor amounts are expended for food, maintenance, bad debts and depreciation.

Blue Cross hospitalization insurance and miscellaneous hospital insurance, each account for about 40 per cent of the hospital's income. Of the approximate remaining 20 per cent, private pay takes up the majority. County and state paid patients are a small percentage.

Sunday Night Blaze Destroys Station Wagon

The Grayling Fire Department was called to the James Eaton home Sunday night at 11:05, when Mr. Eaton reported that his car was afire. The car, a Rambler station wagon, was a total loss by the time the Department was able to reach the Eaton home at Lake Margrethe. The cause was unknown, and Mr. Eaton was not sure how long the fire may have been burning before he discovered it. There was insurance on the vehicle. Fire Chief Frank May reported.

ice, the result being that when the ice melted in the spring there were thousands of logs floating in the water.

The next operation consisted of surrounding large quantities of these logs by booms and towing them across the lake to the lake end of the narrow-gauge railroad. Here they were pushed on a "bull-chain", a long, heavy, toothed chain, which conveyed them out of the water to a loading dock where they were loaded on small bunkers. When a train load had been completed a small stream-engine hauled it across to the Manistee into which the logs were rolled and driven down to the sawmills below. This operation was carried on for a number of years in the seventies and eighties.

During the summer of 1917 I returned to Grayling on one of my more or less regular visits to my old friend, Jappe Smith, for whom I had scaled and clerked in logging camps before World War I. Jappe and his family lived in Grayling during the winter and in summer at Lake Margrethe where he had a number of cottages which he rented to vacationers. Summer was always the best part of the year to Jappe who then spent most of his time repairing and improving the cottages, fishing, and what he called "poking around" in the woods.

This particular summer Jappe had found a new interest—hunting "deadheads."

During the seventies and eighties when the logs were towed across the lake a large number of them had become water-logged and sunk to the bottom. These are known as "deadheads", and many of them were still visible on the bottom of the clear waters of the lake.

His procedure of salvaging them was as follows: With a pair of ordinary ice-tongs on the end of a rope he would hook a log and raise it out of the mud. Occasionally when Jappe had difficulty in hooking his tongs on a log, Mildred, his daughter, would dive down and fasten the tongs. When the log had been brought to the surface it was eased alongside the boat and fastened to it by a light chain near each end. Then another log was raised, Lashed to the other side, after which the motor was started and they were hauled ashore.

During the time I spent with Jappe the new "sport" occupied almost our entire time. He had, of course, salvaged a lot by himself so by the end of summer he had collected a large number of pine and spruce logs, 60 to 70 years old, perfectly sound, and piled them on the bank.

He let them lie there for a year to thoroughly dry out. Then they were hauled to the sawmill in Grayling, sawed to specified sizes, hauled back to the lake and allowed to season thoroughly. The lumber was perfectly sound and of excellent quality.

When I returned the following year I found his new house practically completed. It is constructed as well as any contracting builder could have done it, well planned and with plenty of space for modern improvements such as plumbing, lighting, etc. The inside of the living room is beautifully finished and it stands in every way as a monument to Jappe Smith's handiwork and ingenuity.

And there it stands today, the house that Jappe built out of logs cut 70 or 80 years ago and which had lain on the bottom of the lake during that entire time—"deadheads."

Mr. Robert Strong
Crawford County Avalanche
Grayling, Michigan
Dear Bob:

Just a sincere note to convey to you our personal thanks for your generous help in assisting us to promote Grayling's 39th annual winter carnival via the pages of your paper.

You have been doing a wonderful selling job for this event for a number of years and we want you to know that we have been very thankful to be able to count on you. This wonderful support should be adopted by all those living and doing business here in Grayling.

Thanks once again for your wonderful interest and co-operation.

Sincerely,
Carroll Wert

KEEP IT UNDER YOUR HAT?

The most difficult thing for most of us to do is to "keep it under our hat" when fortune smiles upon us in some pleasing manner. We just naturally want to tell everyone the "good news."

That's why you hear more and more about the advantages of shopping locally for the goods and services that you need.

Hasn't someone told you

lately about the "good deal" they made on a particular purchase — or the "prompt service" they received when they needed some repairs to a home appliance?

They are all around you... folks who have discovered that it pays in more ways than one to deal with folks you know, with folks who want your business tomorrow as well as today.

Look At The Facts . . .

The problems presented by increasing automation — where machines of an almost incredible adaptability replace the human hand and do many jobs with a vast increase in efficiency and economy — confronts the nation, and is a source of concern to industry, labor unions and government.

Without minimizing these problems, it is essential that we take a look at a few facts — and draw some conclusions based on facts rather than a frightened and emotional reaction.

The American Economic Foundation says that: "... automation does not unemploy labor, it redeploy labor." According to accepted estimates, it goes on, 18 million jobs were eliminated by machines in the 1950-60 period. Yet, in 1960, there were 7 million more jobs than there had been in 1950. So, automation notwithstanding, 25 million jobs were created during that year period.

Automation, after all, is not new. It is simply an advanced stage of the industrial revolution that began over a century ago with the introduction of the first workable steam engine. And there are many specific examples where mechanization has made room for many more workers than it has eliminated. To take one, it was widely feared that the introduction of the dial telephone would be a source of crucial unemployment within that industry. But the telephone companies employ more people than ever before.

Automation, modern style, will create problems. It will demand difficult readjustments. There is no doubt of that. But the chances are that, in the long run, it will make more jobs, higher-paid jobs — and contribute to a higher standard of living and working for us all.

A Grim Struggle . . .

"Your Taxes", which is a publication of the Oregon Tax Research organization, recently described, in terse and accurate fashion, one of the great conflicts of this time: "Taxpayers are in a grim struggle to increase the level of spendable income and to find means of retaining more of their income for their own purposes. Governments are in the same struggle and seek to increase the level of spendable income by increasing taxes."

"It is at this point that the desires of government come into severe and increasing conflict with the desires of the taxpayers and the result is a mounting tide

MISSED SIGNALS

of resentment against the expansion of government . . ."

This sounds like the problem of the irresistible force-confronted with the immovable object. But there is hope that the force, as represented by the taxpayers at large, is gaining in influence and cohesion. To quote "Your Taxes" again "... it is apparent that taxation is now a matter of keen personal interest to an increasing number of voters." The forces that demand economical government and the restriction of government to those matters for which it was intended and which only it can perform, can be expected to burgeon.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

February 27, 1941

The building owned by Sam Rasmussen and used by George Stanley as a beer warehouse was destroyed by fire early Tuesday morning.

An oil stove that was left burning to keep the beer from freezing is believed to have caused the conflagration. There were some 30 kegs of beer and a number of cases, and it is estimated Mr. Stanley's loss is about \$400. He carried no insurance. The fire was discovered by Bob LaMotte, who was going home from his work at Spike's at 2:35 a.m., and saw the flames between the buildings, and sounded an alarm but the fire had gained so much headway it was impossible to do much about it. This building, which was at the rear of the former Burton Hotel, was another of Grayling's old landmarks. In the early days it was used by the hotel proprietor as a horse barn and later as an ice storage house.

At an afternoon service at the Evangelical Lutheran church on Sunday, Feb. 23, Dorothy Lucille Roberts, daughter of Mr. and Mrs. Albert L. Roberts, became the bride of Mr. William Joseph McLeod, son of Mr. and Mrs. Joseph McLeod. Miss Emilie Stockholm played the wedding march as the bride approached the altar on the arm of her father. The Rev. P. C. Stockholm performed the double ring ceremony at two o'clock. Miss Patricia Roberts was her sister's bridesmaid. Mr. Clyde Borchers officiated as best man. A reception at the home of the bride's parents followed the ceremony.

Complimenting Miss Pauline Entsminger, who will become the bride of Elwyn Matheson, son of Editor and Mrs. D. E. Matheson of Roscommon, Saturday, Misses Beverly Schaible and Vivien Nellist were hostesses at a lovely miscellaneous shower at the Nellist home Wednesday evening. Hemming pretty dish towels for the bride-to-be kept the guests busy. Vari-colored sweet peas in a bowl guarded by four green tapers centered the lunch table that was covered with a green linen cloth. A heart and cupid motif was carried out in the novel lunch that was served by the hostesses.

We are in receipt of a late issue of the Panama American, a daily publication, sent to us by Mrs. Edward A. Pierce (Ethel Taylor) who is residing in the Canal Zone at Cristobal. There are seven pages printed in the English language and five pages in the language spoken by the natives of the Zone. Both front and back pages represent the current topics of the day, each in its respective language.

Henry Verlinde of Frederic purchased a 1941 deluxe Tudor Ford of Burke's Garage.

Albert L. Roberts was in Grayling for a few days on his regular inspection trip for the Maple Forest Flooring Manufacturers Ass'n. of Chicago, and of course to be present at the wedding of his daughter Dorothy. Mr. Roberts is inspector, auditor and field-man for this firm, and left Tuesday morning for the Upper Peninsula after completing his inspection at the Kerry & Hanson Flooring Co.

Lon Collen left Tuesday for Miami, Fla., to join Mrs. Collen, who is spending the winter at the home of her sister Mrs. George Labo. He was accompanied on the trip by their daughters Mrs. Beulah Douglas and Mrs. Lawrence Trudeau, and they will be gone for several weeks. They will go by motor and drive down the west coast to Key West and then on the east coast to their destination in Miami.

Since Grayling restaurant reopened following the fire that did a lot of damage, they have made many improvements in their place of business. The interior of the building has been entirely redecorated and one of the partitions moved. Ten new booths have been added and there are six tables and all have Caf-O-Lite tops. They have added an extension to their front bar and have new chromium stools with backs along in front of it. A new back bar has been installed and has three large mirrors with bric-a-brac in between, and they have added a new ice cream cabinet and soda fountain. Mr. Roth and Mr. Cinciala are busy getting the place in shape.

Mrs. Oscar Smith entertained at a pre-Lenten party on Tuesday afternoon. Pinochle was the entertainment for the afternoon with Mrs. Arthur Clough winning high honors and the low score going to Mrs. Sherman Reava. A lovely two-course lunch was served by the hostesses, with Mrs. Cooper presiding at the tea table.

Archie Cripps and June Underwood are appearing tonight on broadcasting station WTCM, Traverse City, at 7 o'clock. Archie has a novelty selection on a musical saw that is making a big hit wherever he goes. Mrs. Underwood will accompany on the piano and also render vocal solos. Tune in to-night if you want to hear them.

Cards received from T. P. Peterson, who left last week for Florida, said that he was enjoying deep sea fishing in company with Chris Hoesli, at Bradenton.

Mrs. A. J. Nelson, Mrs. Alfred Hanson and Mrs. Carl Nielson were the entertainment committee for

A TRUE AND SURE SIGN OF SPRING

Myrtion Burrows Photo

You can look for returning robins, burgeoning buds on the pussy willow or any other sign of coming spring that you want, but for best results keep checking on the playground at the Grayling school. When you see a group of grade students, as pictured above, out and busy with marbles, you'll know spring isn't far away. Note bag of marbles in the hands of the lad kneeling at the left on the photo. the regular social meeting of the American Legion Auxiliary Tuesday evening. Miss Olga Nielson and Mrs. Harold Rasmussen held the high and low scores respectively for pinochle. There was a delicious lunch served.

Twelve tables of cards were in play at the card party that a committee of the Eastern Star gave on Thursday evening at the Masonic Temple. Mrs. James Cluff had high score for contract. Miss Mabel Brasie for pinochle. Mrs. Marjorie Hanson and J. L. Martin for pinochle. Layer cakes were the high prize gifts and jars of preserves were the consolation gifts. Everyone enjoyed the party very much.

Mrs. Don Fitzpatrick and little son Donald of Detroit spent the weekend at the home of her parents, Mr. and Mrs. Emil Kraus.

Max Ferguson, bookkeeper for the Kerry and Hanson Company at their Big Bay office, was in Grayling the latter part of the week on business and visiting his parents, Mr. and Mrs. William Ferguson.

Mr. and Mrs. Jack Wade, who are spending the winter in Toledo, Ohio, were here over the weekend.

Mr. and Mrs. Carl Bliss left Thursday for Pemberville, Ohio, their former home. While here they have been the caretakers of the Wa-Wa-Sum clubhouse on the Ausable river. Mr. and Mrs. Fred Barber of Roscommon are succeeding them as caretakers.

46 Years Ago, February 28, 1918

The Model Bakery has a new assistant, Miss Nellie Charlefour having taken the position.

Mr. and Mrs. Holger Clauson arrived Saturday from Ellenton, South Carolina for a visit with the former's mother, Mrs. J. P. Jensen and sister, Mrs. Earl Kidd. Mr. Clauson was a former Grayling boy, attended our schools and is an ex-graduate.

Robert Roblin left Friday for Camp Custer to visit his son Robert. After spending a few days at the camp, he left for Detroit.

A. C. Olson has secured the agency for the Brunswick-Balk Co. for the northern half of Michigan. He will equip the rooms above the drug store and carry Brunswick talking machines in stock.

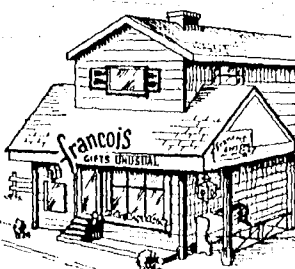

A terrific blizzard made its appearance here Monday evening and seemed to continue until nearly morning. In a very few hours the streets were drifted with snow and made traffic almost impossible. The heavy wind caused slight damage in a few places. The worst of these thus far reported was that about two-thirds of the roof of the new brick barn at Mercy Hospital was completely blown off and laid in a wreck between that building and the hospital. Soon after the storm started fire broke out in the roundhouse. The fire department was called, and the conflagration fortunately was soon under control. The damage was slight.

In an interview with Mr. Hanson he states that the hand mill of the Salling Hanson Company has been sold to R. Hanson & Sons and they will begin operation of it about May 1st. The sawmill of R. Hanson & Sons, located at T-Town, will be sold and shipped out of town, probably to the upper peninsula. The planing mill of the R. Hanson & Sons will be operated as

The one on top is a world famous legend.

The one below it is the same legend redesigned into an all new station wagon.

It has the deluxe interior appointments and comfortable ride of a fine passenger car. . . carries six big adults plus more luggage and equipment than you can imagine. It's powered by America's only automotive overhead cam engine, the high torque Tornado OHC. . . offers optional extras such as automatic transmission, independent front suspension, power steering and power brakes. But the all new Wagoneer is really a "Jeep" vehicle at heart.

The "Jeep" Wagoneer goes up steep hills, over rough rugged terrain and through snow and mud that leave other cars helpless. And around slippery turns that cause fishtailing and skidding, it hugs the road with traditional "Jeep" traction.

The big reason is 4-wheel "Drivepower". All four wheels are power wheels instead of just two. Take a demonstration drive soon. You've never driven a car that can do the things this one can.

Mr. and Mrs. Elwood Barber and son Eugene spent the weekend visiting his brother, the Elroy Barbers and enjoying the toboggan rides at Winter Sports Park in Grayling.

Frederic P. T. A. News

The P. T. A. met on Feb. 18th at the School. Mr. Karl Stearns informed us of the requirements needed for a school hot lunch program, also the foods the children would receive in such a program. A discussion followed. A committee to work on the program was appointed with Eileen Tobin and Madina Newberry from Frederic; Mr. George Ashman from Maple Forest, and Hazel Koerke of Lovells. This committee will meet with Mr. Stearns in March.

It was agreed the P. T. A. would purchase a movie projector table for the Elementary School use. The table will be on wheels, making it easy to be moved from one classroom to another.

A Homecoming Committee was also appointed to represent our School's Alumni. They will work with the Fire Auxiliary to prepare the plans to represent our school in this year's Homecoming. The committee is as follows: Vi Middleton, Joan Kaiser, Peggy Partello and Eileen Tobin.

NOTICE

INCOME TAX INFO

SURVIVING SPOUSE
Under certain conditions, a surviving spouse may have the advantage of using the tax rates under Schedule II which are the same as those used by persons filing a joint return.

There are five requirements to qualify:
(1) Your spouse must have died in either of the two years preceding 1963; and
(2) You must have been entitled to file a joint return with your spouse in the year of death. It is not required that you actually filed jointly, but only be entitled to do so; and
(3) You have not remarried; and
(4) You have a child or stepchild who qualifies as your dependent; and
(5) You furnish over half the cost of maintenance of your home which is the principal abode for your dependent child or stepchild.

When claiming the Surviving Spouse computation, you must use the Form 1040. You may not compute your tax as Head of Household as long as you are entitled to the benefits of Surviving Spouse.

A surviving spouse may file a joint return in the year of death. For the next two years, he or she may use the joint return rates as Surviving Spouse if the above conditions are met. However, the exemption for the decedent may be claimed only for the year of death.

If in doubt about the filing requirements, write the U. S. Treasury Dept., Internal Revenue Service, Detroit, Mich. 48231.

MOOSE NEWS

On Wednesday evening Feb. 19th the MYO meeting was opened with a very pleased smile from our president, Mike Gorman, due to an enormous turn out.

Present were 38 teen-agers. Of these, 8 were attending for the first time. Also present were seven adults. A bake sale and car wash was voted upon for Feb. 29th. The car wash will be at John's Pure Service on old 27 from 9 a. m. to 6 p. m. by the boys, and the girls will hold their bake sale in the basement of the Moose Lodge from 10 a. m. to 6 p. m.

Muskegon MYO officers have invited Grayling MYO officers down to discuss the success of their MYO meetings. They will go on Sat. March 7th. The meeting was enjoyed by John Galloway and Karen McCaulay had brought for the members. They had a beautifully decorated cake, and a lovely buffet style lunch consisting of donuts, sandwiches. The height of their enjoyment was the entertainment volunteered by Dick Johnson, Eugene Gabriel, Dick Ames, and Dick Merrill. This is the last week, MYO news will appear in this column. Starting next week there will be a separate column for MYO news. Historian Carolyn Galloway has done a very fine job in reporting to this writer, so it has been decided to send the report to the paper under their own column. These teen-agers are doing a very fine job and deserve the support of everyone. The lodge is very pleased with their progress and we know the Muskegon Lodge and MYO group will be pleased too, when they report on March 7th. They are in need of a small table to place their Bible on during meetings. If anyone has one that's not needed and cares to donate it to them, they will appreciate it very much.

The Grayling Ritual Team was welcomed into the Bay City Lodge

Sat. evening for an enrollment. The team enrolled five new members into the Bay City Lodge, one member going into the Grayling Lodge. A very nice hot lunch was served afterward along with some nice music for dancing. A very good time was had by all the team members and their wives.

It is expected that the team will be invited to Holly for an enrollment there before State Competition April 24, 25, 26.

Unofficially, word has been received that the Holly Team, which is one of the best in the State, wants to watch the Grayling team again to see what they will be up against, in competition. This is good news to our team, and they feel they have something to work hard for. Our team was organized last June, and will be competing against teams that have worked together for years and years. It has been said by other lodges that our team will be a long ways from last place. Are we going to give the team some support, and have them going into competition for a purpose?

Don't forget the District meeting in Manistee this Sunday. The meeting will be held at the Lodge at 3 p. m. A district Vice-President will be elected. Our present Vice-President is Bill Fitzgerald of Grayling Lodge.

The next enrollment here will be Sunday, March 8th with our own team doing the Degree Work. It is hoped to have at least one new member of the team participating.

The list of names of persons interested in holding an office next term is looking good. If you're interested, your name should be on the list very soon, so that the nominating committee can complete their job before the deadline. The committee can't know you're interested if you don't let them know. Mr. member, have you signed up a new member lately?

Lake Margrethe

By Marjorie Flower

Mrs. Signe Randolph spent Sunday afternoon and evening with the Stan Flowers at the lake. It seemed nice and like old times to see her.

Mrs. F. J. McClain accompanied her son Jim and wife and small son to Grand Rapids weekend before last. While they were away the LeRoy Papendick family stayed with Mr. McClain, who is better, and to whom we wish a speedy recovery.

Mr. and Mrs. Dick Clore, who were living in one of the McMahon apartments are now on their way to Tampa and Lake Wales, Fla., before returning home to near Mackinaw. Mr. Clore is a freight engineer between Grayling and Mackinaw.

Mr. and Mrs. E. J. Birdsall spent Wednesday in Mio visiting relatives.

Mr. and Mrs. Harold Clements have gone to Detroit, planning to go on from there to Crawfordsville, Indiana, to visit relatives for about six weeks.

Letters To The Editor

Frederic, Mich.
February 21, 1964

Dear Sir,
I am addressing this letter to you in the hopes that this is published that something could be done about this Teenage drinking. It seems that it isn't just Grayling children that are doing it, you will find some in Frederic and it makes me sick to think that the parents of these children, at least some of them know that their children are doing this, but don't seem to care or they would try and find out about it. It doesn't help them to be better students while they are drinking along with the smoking they do.

I know it doesn't give the town and other children in the town a very good name.
Where are the parents and citizens of this county that something can't be done to see where these teenagers are getting what they are drinking and having parties as they do.

I am a mother of a teenage boy and I think if it was my son, I would see what could be done about it, but of course if the parents don't care what their children are doing it's just too bad for the child, because soon it might turn out to be more than just a drinking problem.

Hope something can soon be done about it and bring help to the teenagers that are trying to be something-they aren't.

Twenty seven young ladies pictured above graduated as practical nurses on Sunday, February 18th at exercises held at St. Anne's church, Cadillac, at three o'clock in the afternoon. Eight of them received their clinical experience at Grayling Mercy Hospital. They are Rose Anne Briley and Felicia Wituski of Alpena, Pearl DeVries, Sharon Vande Pol, Muriel VanderWal and Marilyn Warden of McBain and Kathleen Waterman of Roscommon.

The graduates filed into St. Anne's church to the processional played at the organ by Sister M. Caroline, R. S. M. The children's choir sang the hymn.

The graduation address was made by the Rev. Fr. John F. O'Neill. This was followed by the graduates giving the nurses' pledge in unison. Next came the presentation of the graduates by the Rev. Fr. John Tamulis, the presentation of diplomas being made by the Rt. Rev. Msgr. James A. Callahan. The presentation of pins by Sister M. Ricardo, R. S. M. administrator of Cadillac Mercy Hospital, and Sister M. Aloysius, R. S. M. director of Mercy School of Practical Nursing, completed the ceremony.

Another selection by the children's choir was followed by the benediction, the class then marching out to the strains of the recessional. A reception was held at St. Anne's school immediately afterwards for friends and relatives. Miss Waterman returned to Grayling Mercy Hospital to work.

Attending the exercises were Mrs. George Hilton, Miss Wanda Cardinal and Steve Olsen.

The Busy Beavers Hobby Club meeting was held at the home of Mrs. Bonnie Helsel with co-hostess Kate Hawley. A nice lunch was served. Mrs. Tudy Cherven of Roscommon came to show us how to shade with our paints. We had two visitors, Mrs. Bonnie Rhodes and Mrs. Chris Kaselecek of Merritt. The next meeting will be held at Mrs. Ellen Helsels with co-hostess Mrs. Mary Sims.

Mercy Hospital

(Continued from Page One)

Grayling Mercy Hospital which should prove of interest are: over 15 per cent of all x-rays taken are Barium series that must have an x-ray doctor in attendance; over 7,500 meals are served at the hospital each month; over 135 pounds of coffee are brewed each month; there is an average of 15 calls for maintenance service to the hospital's maintenance crew each day. Over 11,000 gallons of fuel oil are burned by Grayling Mercy Hospital each month. It has been determined that each patient at the hospital uses 11 pounds of linen each day. Over 13,000 pounds of soiled linen is laundered each month at the hospital. An average of 25 blood transfusions are given each month of the year at the hospital. Heat, lights, rooms, meals and nursing service costs approximately 85 cents per hour for each patient in a semi-private room. As of January 1, 1964, Grayling Mercy Hospital had 156 full time employees for each bed in the institution and 2 full time employees behind each patient in the hospital.

From this series of articles based on statistics compiled by the hospital, it is obvious that Grayling Mercy is performing a great public service not only for the City of Grayling and Crawford County but for a wide area as well as for a large number of people taken ill or injured while traveling in this part of Michigan. It is a big operation from any angle from which you view it, from a financial point of view, from patient care, from most all points of the compass.

The first six years in the new facilities have been outstanding ones for Grayling Mercy Hospital which looks to the future with the hope that the hospital can continue to serve all who are in need.

Next week's article will deal with the statistics just completed for the month of January, 1964 plus several more interesting facts concerning Grayling Mercy Hospital.

CHARLES WHEELER DIES SUDDENLY

Charles E. Wheeler, 53, of 403 East Oliver Street, Owosso, passed away suddenly Monday evening, February 24, 1964, at Kenosha Medical Center, Kenosha, Wisconsin, following a heart attack. He was in the city on business. The family have been long-time summer residents on the AuSable North Branch.

Mr. Wheeler was born April 25, 1910; to Mr. and Mrs. Charles Wheeler in Detroit. He spent most of his life in Ohio and Detroit, and the last eight years in Owosso. He was a member of the Christ Episcopal church of Owosso and of the B. P. O. E. 75. He was sales manager for Car Part Botaron.

Survivors include his wife, the former Norma Pochelon whom he married October 10, 1935, in Detroit, two daughters, Mrs. David Ferguson of East Lansing and Mrs. Keith Petherick of Birmingham, a son, Charles E. Wheeler Jr. of Saginaw, and four grand children.

Funeral services will be held at Scarlett's Funeral Home, 409 West Main Street, Owosso, at 2 o'clock Thursday, February 27th, with the Rev. Alex Newell officiating.

P. T. A. REPORT

The Grayling P-TA met Monday evening at the High School gym with a good turnout.

The program for the evening was provided by the High School Beginners and Junior Bands, playing in unison and then each child playing a solo. There were also some duets. Following the music, Mr. Warren Cook of Mio, County Agricultural Agent, showed slides from Michigan State University accompanied by a taped narration, the subject of which was "Blueprint for Tomorrow," a talk on higher education, and why children need more education today than their parents had. Mr. Cook pointed out that only seven out of ten children who start in the first grade complete a high school education. He said that requirements in today's working world call for greater skill and ability for the jobs available.

On the lunch committee for the evening were Mrs. Tom Welsh, Mrs. Barney Engel, Mrs. Dale Peterson and Mrs. Ward Ellison.

Cities, Counties Share \$26.3 Million From Highway Fund

LANSING — The State Highway Department has started distributing fourth quarter Motor Vehicle Highway Fund collections to Michigan counties and incorporated cities and villages.

State Highway Commissioner John C. Mackie said net receipts of the Highway Fund during Oct., Nov. and Dec. of 1963, amounted to \$49,732,388, an increase of \$3,545,716 compared to the same period of 1962.

Crawford County's share totaled \$62,532 while Grayling received \$4,085.

All state gasoline and diesel fuel taxes and license plate fees go to the Motor Vehicle Highway Fund.

Twin Bridges

By Mrs. Esther Herrick

Mrs. Earl Eimers of Saginaw spent a couple of days hunting rabbits last week. Not much luck. Wednesday the 19th, Wm. Miller, Harold Johnson and Fred Herrick spent the day near Bellaire on business.

Mr. and Mrs. Geo. Meybner returned to their home in Pinckney after spending some time at their cabin. They do a lot of fishing, this time at Fletcher's flood waters near Hillman.

Mrs. Ed Youngs was in the McClaren hospital in Flint for surgery. They live in Lapeer and have their cabin on Twin Bridge Road where they are frequent visitors the year around. Good luck Mrs. Youngs.

Sorry to hear Bert Gilbert is in Mercy Hospital.

Mr. and Mrs. Kurt Nitschke of Detroit spent the weekend at their cabin on Twin Bridge Road.

Mr. and Mrs. Bud Bollman made a trip to Chicago and expect to bring Bud's mother and his grandma Maud Jordan back for a while. Mrs. Jordan has been sick quite a while and maybe our bracing white Northland will help her feel better.
